UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

-----x
NORASIA CONTAINER LINES LTD,

08 CV 1114 (BSJ)

Plaintiff,
-against-

**AFFIRMATION OF
MICHAEL E. UNGER**

CHEMEX INTERNATIONAL LLP,

Defendant.

-----x

MICHAEL E. UNGER, affirms the following under penalty of perjury:

1. I am a member of the law firm of Freehill, Hogan & Mahar, LLP, attorneys for Plaintiff Norasia Container Lines Ltd ("Norasia") in the above action. I am admitted to practice before this Honorable Court and am fully familiar with the facts and circumstances surrounding this litigation, and respectfully submit this Affirmation in support of Plaintiff Norasia's Motion to Recognize and Enforce Foreign Money Judgment and For Attorneys Fees, Costs and Interest.

2. Freehill Hogan & Mahar LLP was retained to act as legal counsel for Norasia in connection with disputes between Norasia and Defendant Chemex International LLP ("Chemex"). I am the attorney in charge of this matter and submit this Affirmation based on my own personal knowledge and based upon facts contained in my file.

3. I prepared the Rule B attachment application filed on behalf of Norasia in this matter on February 4, 2008. That same day, this Court executed an Order granting Norasia's application in full and directing the issuance of Process of Maritime Attachment and Garnishment against assets of Chemex for a sum up to \$117,698.52.

4. Pursuant to the Process, on February 6, 2008, two funds transfers of Chemex were restrained in amounts totaling \$117,698.52. That same day, Chemex was given notice of the

NYDOCS1/299990.1

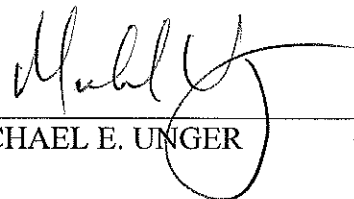

attachments in accordance with Local Rule B.2 and requested to waive service pursuant to Rule 4(d). Chemex has made no attempt to respond or otherwise oppose this action.

5. Norasia arranged with the Clerk of the Court for the Southern District of New York to formally service process on Chemex, which was accomplished on March 28, 2008.

6. The attorneys' fees already invoiced in connection with the instant New York proceedings amount to \$8,538.81 which is reflected in the invoice attached here to as **Exhibit 1**. The invoice contains narrative descriptions of the legal services rendered to Norasia. I have redacted some of the narratives in order to delete references to specific legal strategies, legal opinions, investigative results or other entries which would be protected from disclosure by the attorney-client or work product privileges (as applicable). If required by the Court, Norasia is prepared to produce the original invoices for an *in camera* inspection by the Court to avoid improper disclosure to Defendant and the public at large, but to satisfy the Court (to the extent deemed necessary) that the redactions made by me were purely and appropriately for the purpose of protecting attorney-client or work product privileges, as applicable.

7. The attorneys' fees anticipated to be incurred in the future in connection with the instant action amount to \$5,000. This amount represents the legal services anticipated to be rendered from the date of the last entry appearing on the invoice attached as **Exhibit 1** to the date of the final invoice issued as concerns the instant action.
